Rusty Seppanen requested the paving on Wilson Ave. be extended past the 3<sup>rd</sup> St. and Kiner Court Intersection, to include paving past the entrance to his lot. A quote of an additional \$11,000.00 was obtained. The city would eventually be paving this section of road in the future, so decided they would include it since the project is being done now. Biederstedt made a motion to approve paving Wilson Ave. to past the entrance on this lot, seconded by Struckman. All voted in favor, motion passed.

Parking in the fire lane on the west side of the fire hall (by the park in the ally) has become an issue. No parking is posted clearly but people are still parking in this area, blocking emergency vehicles from leaving the building. A new sign will be posted saying it is a tow zone. A reminder to all residents that parking here is illegal and your vehicle will be towed.

There being no further business, motion by Miller; seconded by Struckman to adjourn. All voted in favor, the meeting adjourned.
